Bargains Galore at the Thrift Store!

Why travel all the way to the Goodwill store or elsewhere to find bargain priced apparel items when you can get them cheaper in Darlington? Have you ever visited the Twice Blessed Thrift Shop? Now's the time to take advantage of the great prices and easy shopping. And, every dollar you spend at the Thrift Shop goes directly to help low-income families and single folks in our community. The Thrift Shop is completely volunteer operated with all proceeds going to help others. Please stop by and shop for awhile. The store stocks a variety of clothes for women, men and children. We have a surplus now of nice men's suits and jackets. Come take a look!

For shop hours, please call 410-457-0131. Thanks for helping us help others!
